**From tree**  
Pinus radiata is a renewable resource and one of New Zealand's largest exports

**To log**  
Prune butt logs are sought after as they have fewer and smaller knots

**To finished product**  
The timber is separated into grades which reflect its intended end use

# know your timber grades

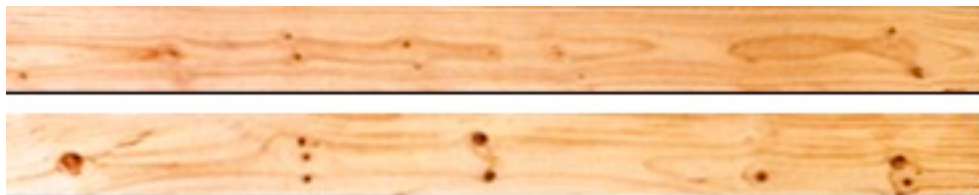

## No 1 Clears

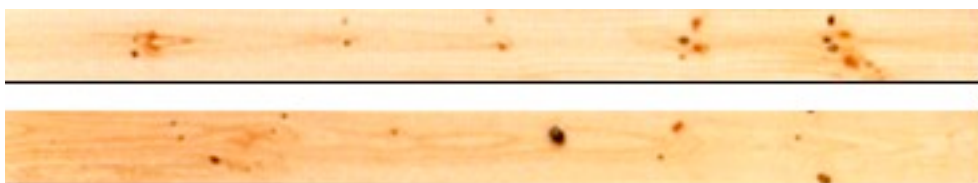

## No 2 Clears

## Dressing Grade

## Merch Grade

*The examples above represent typical examples. As with any natural product, variations will occur. For special applications, discuss your requirements with a staff member who will be happy to help you decide on the product best suited for your project.*
